

Travel Summary – All Trips and Day Trips

01 Trips, Day Trips and Places

This includes a list of all of the trips I have taken since the start of 1986, all of the day trips I have taken since the start of 1986 for which I had kept notes and journals, and all of the countries (including both countries and territories) and their top-tier subdivisions (e.g., states, provinces, regions, etc.) that I traveled to on those trips and day trips. “Trips” start and end on different days, whereas “Day Trips” start and end on the same day.
