

## Travel Summary – All Trips and Day Trips

### 05 Foreign National Parks and Other Units

Here I list national parks and other comparable units of other countries that I have visited when traveling outside of the United States. These may be administered by the federal governments of those countries or national agencies such as English Heritage in the United Kingdom, and are generally analogous to sites in the United States that I have listed in *02 National Park System Units* and *03 Other Federal Units*.
