

Travel Summary – All Trips and Day Trips

13 Other Destinations

This is my catch-all category for everything that does not fit in one of the other lists. You will find historic sites, famous buildings, neighborhoods, towns where I stopped for a photo walk, theatres with interesting marquees, roadside kitsch, festivals and parades, my appearances in TV and movies, memorials, noteworthy statues and public art, some highway markers, murals and other public art, covered bridges, religious buildings and shrines, stadiums, state capitols, sightseeing cruises and boat tours, cemeteries, Glacial Lake Missoula Ice Age Floods sites, war-related sites, geological features, observation decks, palaces, walks of fame, noteworthy business... basically, anything that I wanted to remember.
