18 UNESCO World Heritage Sites

UNESCO World Heritage Sites have been determined by the United Nations as have outstanding historical, cultural or natural significance. One or more such sites have been identified in most countries. As of January 1, 2026, 1,248 properties have been inscribed on the World Heritage List. I include a list of sites I visited that were inscribed at the time of my visit.

I include a second list of sites that were inscribed on the World Heritage List after my visit, noting the year of my visit and the year of inscription.
